Cursillo Weekend Review

Please indicate what went well and what needs improvement. The review is for processes/events only so please avoid naming names or personal issues. Indicate the area or activity that you want to comment on. If you need more space, use another sheet following the same format. It is important to note what was good and outstanding so that practices can be carried on to next year. Your opinion is important and can help make the weekend run smoothly. Thank you for your help.
