

Rector's Guide

A Step-by-Step Guide for the Cursillo Weekend

Cursillos in Christianity

September 30, 2021

THIS IS THE WAY

In the words of our founder Eduardo Bonnin:

This is the way to conduct the Cursillo weekend today. This is the way through which, by the grace of God and the prayers of the brothers and sisters, it has been possible to achieve that a great many people over the years have had an encounter with Christ and decided to follow him.

I do not know how the Cursillo weekend will be conducted in the future. We started in a place where there was no electricity, and today we hand out the list of those attending the Cursillo printed by computer.

All I know is that if Cursillo is to remain faithful to the purpose for which it was intended and for which it was prayed and for which we have been grateful, it should not lower its target, and they should serve to give those who attend a “living”, simple, clear and true experience of the Christ of the Gospel as best as possible. He, who through his resurrection and by his Grace, is alive, normal and close in each person.

This requires and calls for a personal encounter between Christ and each person. Obviously, the evil of the world is the evil of the human person, and what the person needs most is to encounter himself and then to be able to grasp with joy, and even perplexity, the invitation that Christ gives to him, so that by being connected to Him by Grace, and through that same Grace, he will understand the joy that comes from spreading it to others.

By its very nature, Cursillo has to go deep down into the depths of the person, into his innermost and intimate self, not merely into the specific circumstances surrounding him: whether married or single, practicing or indifferent etc. There has to be nothing that might turn him away from the target at which he aims. The encounter has to be between Christ and the person, face-to-face, one-on-one, and everything at the Cursillo weekend has to be focused on that one-on-one encounter. The unavoidable reality of magnetism or attraction between the sexes, or the determining presence of a familiar person – such as professional, marital, or family bonds, makes this one-on-one encounter impossible. The reaction must be personal, radical and authentic.

There should be nothing that prevents or hinders that radicalism, perplexity and enthusiasm, which occurs in the person when he truly and earnestly BELIEVES that Christ loves him. Since at the Cursillo weekend a new dimension of faith is discovered, much deeper than the normal one, things are different when the person is being observed by someone who is watching, awaiting his reaction. For this reason, a Cursillo weekend should not be mixed; nor is it in any way appropriate that father and son, mother and daughter, two brothers or sisters, employers and employees, or a married couple go to the same Cursillo weekend together. If men and women go

together to a weekend, no one will behave as they would if they went separately. Christ is looking for the person, not for what surrounds him.

Cursillo makes no assumptions.

The person, who really wants to be a Christian, realizes the distance they have to go to actually become a true Christian. They become aware of the fact that they have to try and lessen that distance at every moment of their life. The conscious Christian life led by the person who has awakened to the possibility of longing to become a true Christian, impels them to thank God for every good thing that happens in their life. Knowing that Christ has us in mind and cares for us, we also learn to offer Him our bitter moments which we sometimes make even more bitter because we ignore that what Christ wants is to temper us through them ... and make us better Christians.

Provided everything at the Cursillo weekend is done as it should have been, everyone is truthful in the end.

Eduardo Bonnín

[This timeline is to be used in accompaniment with – and not independent of – the Lay Rollos for the Cursillo Weekend, and the Spiritual Advisor's Guide. While some changes may be necessary due to circumstances beyond our control, the amount of time allocated for Rollos, table discussion, corridor work, posters, and visits to Blessed Sacrament should be the last ones to be compromised and every effort should be made to keep the sequence described. The **sequence** and **time allocation** are what is most important NOT the schedule suggested below.]

in the CHAPEL, the Preliminary Rollo will begin.

Its duration should not exceed 30 minutes.

“Prayer to the Holy Spirit”,

[The Rector leads the prayer; the Team Leaders will probably join in; it is the first sign of the naturalness of prayer.]

After the Preliminary Rollo the Rector tells everybody that we are going to begin the first meditation, insisting on keeping the silence.

New Cursillistas, Team Leaders and Spiritual Advisors, will be given a copy of the Pilgrim's Guide. Stress the need to carry the Guide with them at all times. Explain that the blank pages should not be filled in and that the purpose of these pages will be explained later.

Ask everyone to put their name on the page intended for that purpose. The Rector gives thanks after the rollo.

✓ [Prayer of Thanksgiving from the Pilgrim's Guide, page 130, an Our Father and a Hail Mary.

Sis. Alma to check with Sis Norma for snack.

At the end of the rollo, it is advisable for someone to alert the kitchen to tell them the approximate time when

they will be taking a coffee or snack break.

8:05 pm First Meditation: “Know Yourself” – Why are you here?

The Rector asks them to let this be a ‘pause’ in their life, “How are you?”, just to reflect on one’s own life. It will be helpful to look backwards and see what the film of one’s life has meant to him.

Make sure everybody is present.

Before the Rector begins with the preparatory Prayer for the Meditation, he will indicate the most appropriate posture to adopt in the chapel.

[This is simply the most comfortable position for them. Some may like to kneel while others prefer to sit and some may wish to stand.

At the Rector’s discretion.]

- ✓ “Preparatory Prayer before Meditation” (PG page 27)
Meditation [Spiritual Advisor]
- ✓ After the meditation: "Thanksgiving after Meditation"

Night prayer (PG 70)

10:10 pm (approximately) Cursillistas retire to bed.

- After the cursillistas have all gone to rest, DO of the Team Leaders will go around the corridors for a few minutes to prevent the formation of groups, the breaking of silence or disturbing someone's rest.

DO or Team Leaders, assistance New Curcillista
If there is any need for water, restroom, blankets, lights, etc.

(If the Team Leader assigned to this task has to say something, he will do it quietly and with full respect for silence.)

10:10 pm (approximately)- 10:45 pm TEAM LEADERS' MEETING.

This will begin once you are satisfied all the cursillistas are now resting in their rooms. It will take place in the location prepared in advance.

MEETING:

All the Team Leaders and Spiritual Advisors will attend this meeting. It begins with the “Prayer to the Holy Spirit”.

We will start by reading the notes on the candidates and adding missing data and filling in all the “quadrant sheet” finding out the particular circumstances of each of the candidates so that, when talking to them, we know what to expect. (QUADRANT SHEET IS NOT APPLICABLE)

[Quadrant Sheet - A list is made of the new cursillistas assigning them numbers 1 to 4 in terms of where they are in relationship to God. (1 being very close to God, 4 being far from Him). The same thing is done according to their attitude to the Cursillo itself.]

[This is the same psychology as is used in the Study of the Environment rollo, discerning what their attitude is in order to best know how to approach them. It is not meant to be judgmental.]

We will insist on the confidentiality of the information and will take care **not** to leave the list within reach of others.

[Every Team Leader is given information on all the candidates. This is done before the groups are formed.]

Formation of the Table Groups: Election of Heads and

Secretaries of each Table Group.

Each table is made up of 4 to 6 candidates.

One of the candidates is appointed as the Table Head and

another is appointed as the Secretary.

[The number of candidates at a table is determined by criteria, not by rules.]

The Team Leader(s) assigned to each Table Group **do not** form part of the table assignment list.

If there are new cursillistas who in their professional lives are bosses or managers, it is best they give the place to people who have ability and personality but have never in their lives been head or director of anything, unless it is appropriate to do otherwise.

As for the choice of Secretaries, pick out those with some ability to write.

After the selection of Heads and Secretaries [from new cursillistas], proceed to the formation of Table Groups, taking into account the following criteria:

- Separate: friends, people living in the same village or town, people with the same background, profession, etc.
- Mix cursillistas in a varied way so in each Table Group there is a representation of all ages and social positions.

Once all the Table Groups are formed, the Rector will

read them out to make sure no errors have been made.

At a weekend for men all the Table Groups are given the name of a male Saint (Saint Peter, Saint Paul, etc.), and the name of a female Saint or Holy Virgin at a Cursillo for women.

Draw up the “Table Group lists” (one for each Table Group), names of all the cursillistas and indicating who is Table Head and Secretary.

Write the Table Group name at the top of the list followed by the name of each member, beginning with the name of the Head and the Secretary, stating their distinction along with their name.

The next morning, once the Table Groups have been appointed and have occupied their respective tables, the Rector will hand out the corresponding list to the Head of each Table Group.

Designate the Team Leaders who will accompany the Table Groups. Neither the Rector nor the Spiritual Advisors will be part of any Table Group.

It is advisable to remind the Team Leaders that the next morning they should occupy their place at the table straight away, before the new cursillistas, thus avoiding having to ask the new cursillista to make room for them once the Table Groups have been assigned and the cursillistas are already seated at their places.

Review the plans and schedule for the next day,

the first day of the Cursillo.

Review the technique of the first day: Corridor work, sounding out, appraisal and performance of the Table Head.

[This means to talk about whether or not each Table Head is comfortable in the role.]

Remember you have to be a good listener and let the cursillistas talk. Do not give advice or solutions.

Each Team Leader should know the first and last name of all the members of his/her Table Group and talk to every one of them on the first day, exchanging views with them.

Each Team Leader will encourage the cursillistas to work in the Table Groups. Encourage them, but do not do the work himself. Being attentive to what they might need. Help anyone who might have difficulty in writing or taking notes.

Be discreet when handling information and lists. Take care not to let the new cursillistas sense that we have information about them or their personal characteristics.

The Team Leaders should not form cliques or small groups: looking or acting like you are important because you are a Team Leader.

All Team Leaders are to be present at every Rollo and activity of the weekend, take notes and do corridor work.

Team Leaders has to pray and sing with conviction and receive Communion every day. If one wishes to receive the sacrament of reconciliation, it is best to do so at the times proposed by the Rector in the chapel.

Designate the Team Leaders responsible for:

- **Ringing the bell – new cursillistas**
- **Sis. Cris and Sis Teresa**

Setting up the room for the Rollos.

1. Sis Sabina, 2. Sis Yeyet, 3. Sis. Dory

9:00pm – FINALIZE POSTER PRESENTATION- Team Leaders, Please the check new Cursillistas project.

9:15 pm Gathering of Table Groups. Submission of summaries and posters

APPENDIX 10: Reunion of the Table Groups. Submission of posters and summaries. SIS.CECILLE

- "Prayer to the Holy Spirit"
- This is the last action of the day in the Rollo room and it should be cheerful. Let's do a review of the day. This is also a serious time because you have to respect the one who is speaking and explaining their poster.
- We are not going to give a Rollo, or a Lesson or a critique. We are going to express what is the central idea of each rollo.

FIRST DAY

- The Rector names the rollo, and then calls on the Table for its representative to read the rollo summary and explain the corresponding poster of the day's rollos: Ideal, Habitual Grace, Laity, Actual Grace and Piety.
- There is no need to have the Table Head or Secretary give the summary but anyone from the Table can do it.
- At the end, the Rector will make an assessment of the Summaries stating, "This day has not been bad, but surely tomorrow will be better". Then it is explained that we are going to say good night to the Lord in the Chapel.

10:15 pm Examination of Conscience and Night Prayers.
(CHAPEL)

- The Examination is done following the Pilgrim's Guide, however, circumstances experienced during the day may be introduced.

Emphasize whether there has been enthusiasm, dedication, and spirit of charity (love).

- Examination of Conscience, Pilgrim's Guide, page 65.
Night Prayers Pilgrim's Guide, page 70.
- tomorrow we will have a busy day. The first bell at 7:00 am and second 7:15 am proceed to the chapel, 7:20 am in the chapel.
- The Rector will say that there is a Priest(s) available in case somebody wants to stay and talk to them or go to confession.
- The Rector will ask the Heads and Secretaries of the Table Groups to stay in the chapel for a moment and

- the rest can go to bed, except those who wish to stay and go to confession. (See Appendix 11 – Visit with Heads & Secretaries)

11.00 pm Visit with Heads and Secretaries

- ✓ When we are sure all the other new cursillistas are already in their rooms, after one of the Team Leaders has gone around the corridors for a few minutes, the Heads and Secretaries will be invited to join the Team Leaders in front of the Blessed Sacrament.

[This visit is to encourage the Heads and Secretaries to take ownership with humility of what is happening at their tables and simply to say ‘good night’ to the Lord.]

APPENDIX 11: VISIT WITH HEADS AND SECRETARIES – First Day

- ✓ The visit begins with the “Prayer to the Holy Spirit”.

[The visit ends with the “Lord’s Prayer”, Hail Mary and Glory Be, after which the Heads and Secretaries go to bed or to confession if they wish.]

11:30 pm TEAM LEADERS MEETING

- ✓ [After the Heads and Secretaries leave and the Spiritual Advisors arrive], The Team Leaders and Rector will review each Table Group one by one. Each Team Leader will say whether his Table Group is running smoothly, and the attitude found in each of its members, setting the plan for the next day about who should talk to whom and so on.
- ✓ Insist on the “corridor work”, the “stabbing” ... [or “final push”] [This means to go back to any topic that a cursillista may have brought up previously to make sure the cursillista feels satisfied. The most important thing in the corridor work is that no one leaves the 3-days without bringing up the thing that bothers them the most. The Team Leader at each table

FIRST DAY

needs to do this with each of his table members. If this does not happen, then during the Team Leaders meeting the night before, the table Team Leader passes it on to another team member. The most important part of corridor work is to create and cement the bond of friendship that will carry them into the Fourth Day.]

- ✓ Insist on the Team Leaders not getting together forming cliques. We must divide up and mix with the cursillistas in the dining room and in the Chapel, setting the tone, singing, praying aloud, etc.
- ✓ Emphasize the plan for tomorrow will be focused on the encounter with God, helping the cursillistas to face their problems, enlightening them. In some cases it is advisable to tell them to consult with a Priest.
- ✓ Corridor work brings everyone to an equal footing. If you find it appropriate suggest going to confession.
- ✓ After the “Study” Rollo, visits to the Blessed Sacrament by Table Groups begin.
- ✓ Notice who has gone to Communion and the attitude with which he has done it.
- ✓ Preparation of the Fiesta “improvised” [Social Gathering].
- ✓ Have a quick look at tomorrow’s Rollos: Study, Sacraments, Action, Obstacles and Leaders.
- ✓ Ensure the team meeting does not take longer than is necessary.
- ✓ Visit to the Blessed Sacrament.

intentions of the Mass, the Rector will highlight some intentions such as: Lord hear our prayer.

- ✓ That this Mass may help us to live with enthusiasm, dedication, and spirit of charity (love).
- ✓ For those present who still have not opened their mind and heart to the spirit of the Cursillo.
- ✓ For all the people who are now taking care of our families and, in so doing, have made it possible for us to be here today.
- ✓ For the problems of each one of us.
- ✓ For him who needs the benefits of this Cursillo the most and for him who believes they need it the least.

Before communion: Remind the cursillistas this is a voluntary act, with the only condition being that they are living in Grace.

8:30 am Breakfast

As on the previous day, when everyone is in the dining room a Spiritual Advisor will say grace and with the Team Leaders will serve the tables and will sit at different places in order to talk to anyone who wishes.

- ✓ When breakfast is coming to an end, it's time for telling a few jokes.

Sis. Celsa, Sis. Gigi, Sis. Isabel and volunteers.

Before the Spiritual Advisor gives thanks for the breakfast, the Rector will insist that at the sound of the bell everybody should go to the "Rollo" room.

Do **not** hand out the football, basketball, jump ropes, etc. to the cursillistas yet. If someone asks for them just say, "not available".

9:30 am ROLLO: "STUDY" SIS. DORY

Signing of Pilgrim's Guide

After the rollo, the Rector explains the reason for the blank pages in the Pilgrim's Guide. He suggests to the cursillistas that it would be a good thing to have the signatures of everyone as a memento. He tells the cursillistas that they can go to each table with their Pilgrim's Guide to ask for the signature of each cursillista. Everyone should put their name on the front page of the Guide and the name of each Table Group on each of the blank pages. [He tells them there is no rush, they have two days to do it.]

Let the cursillistas know which pages should be left blank for the signature of the Team Leaders and Spiritual Advisors - who will sign the next day.

[The Team Leaders do not sign until the third day using it as an opportunity to reach the cursillistas.]

The Rector also signs their Pilgrim's Guide from now on and uses this interaction to encourage the tables to make visits to the Blessed Sacrament both by Table Groups and individually.

[It is best if the tables do not go to the chapel if another group is already in there. The Table Groups go spontaneously to the chapel, the Rector does not direct them when to go and they are encouraged to go as often as they wish.]

We need to emphasize the desirability of becoming familiar with the Lord and to do this it is best to go and see him. The final word is always that of Christ, and here we have Him in the Blessed Sacrament looking forward to our visit.

See APPENDIX 12: "THE STORY OF JOHN"
to be read by SIS. CECILLE

After reading the story, the Rector refers to the palanca received for the Cursillo, indicating he will leave them on the table, in the room where the rollos are given, so the cursillistas can read them at any time.

The palanca is left there until the end of the Cursillo weekend.

Also, if appropriate, remind the cursillistas that the Priests are permanently available to them, both for confession and for spiritual direction or just to talk etc.

- ✓ From now on, if it has not been possible before, we must begin the "corridor work". Talk one-on-one with everyone, especially the Table Heads of each Table Group and with each of the members of their Table Groups.
- ✓ The Rector will endeavor to talk to everyone every day.

10:45 am ROLLO: "SACRAMENTS" - "How Christ is given to you" Dcn.

At the end of the "Rollo" we have to see to it that all go quickly to the chapel to make a joint visit to the Blessed Sacrament. This visit will be led by the Spiritual Advisor who has given the Rollo.

12:30 pm Lunch.

Follow the same procedure as in the previous meals.

At the end of the meal, before thanksgiving, the Rector will announce that until the start of the next Rollo there is free time that we can dedicate to rest, to continue with the summaries,

posters, visits to the Blessed Sacrament, signing the *Pilgrim's Guides* etc.

2:30 pm ROLLO: "ACTION" Rollista: SIS. CELSA

After the Rollo if it is appropriate or necessary, remind the cursillistas of the tasks remaining: visits to the Blessed Sacrament etc.

4:00 pm ROLLO: "OBSTACLES TO THE LIFE OF GRACE" DCN.

After the Rollo, if it is appropriate or necessary, remind the cursillistas of the tasks remaining: visits to the Blessed Sacrament etc.

6.00 pm Dinner

- ✓ At the end of the meal, before thanksgiving, the Rector will announce that, until the start of the next Rollo, there is free time we can dedicate to rest, to continue with the summaries, posters, visits to the Blessed Sacrament, signing the Pilgrim's Guides etc.

7:30 pm ROLLO: "LEADERS" Rollista: Sis. Rose

After the rollo, the Rector announces that we will go to the Chapel

8:15 pm VISIT AND HOLY ROSARY

The Rector leads one of the Mysteries of the Rosary if there is time but at least one decade.

[Pray it as simply as you would at home.]

See the Pilgrim's Guide, page 55.

After the Rosary we ask everyone to approach the Blessed Sacrament for a visit led by the

- ✓ (Rector thank you Lord for all we have received today, which is the fruit of His love and of the contribution of enthusiasm, dedication, and spirit of charity (love) of all of us present. We also pray for those who pray and sacrifice a great deal for us, for all our own intentions, for those who still walk with their “umbrella open”, etc).

After the visit there should be a few minutes of rest, time to catch up on summaries and posters. Indicate the bell will shortly summon us all into the Rollo Room.

- ✓ Some leaders will prepare for the Fiesta [social gathering].

9:00 pm FIESTA “improvised” [SOCIAL GATHERING]

Sis. Gid, Sis Shiela, Sis Dory, Sis. Teresa, Sis. Cora, Sis. Marie

Jokes, games, songs, humorous stories - relaxation

10:00 pm Reunion of the Table Groups in the Rollo Room

Reading of the summaries and presentation of the posters.

At the end of the meeting the Rector will commend the improvement of the work done, indicating that tomorrow will be better still.

[This should be said lightheartedly using irony.]

11:00 pm – CHAPEL: Examination of Conscience and Night Prayers

Examination of Conscience (PG 65)

Night Prayers (Pilgrim's Guide, 70)

- ✓ After the prayers, remind the cursillistas that the Priest(s) are available to everyone for confession or to talk with them. As we did the previous day, ask the Heads and Secretaries to stay on for a few minutes more.
- ✓ Warn everybody that tomorrow the bell will ring again at 7:00 am. Check your Saturday matrix

After others have left, during the visit with the Heads and Secretaries of Table Groups in front of the Blessed Sacrament, we ask them to cooperate in helping those most in need, those who feel most lonely, he who has not quite given himself over to the process, and so on.

We end this visit by praying the "Our Father", "Hail Mary", and "Glory Be".

11:30 pm TEAM LEADERS MEETING

We review the work and smooth running of each of the Table Groups and the cursillistas in turn. If there are still one or several cursillistas who have not yet decided to live in Grace, specify who is going to talk to them.

Emphasize that on the last day we all have to have direct contact with each and every one of the cursillistas, but not only at the time when they submit their *Pilgrim's Guide* to us to have it signed, but also during the free times, meals etc. Indicate that if appropriate and without forcing anyone, to invite the cursillistas, after speaking with them, to finish the conversation before the Lord in the Blessed Sacrament.

We should recommend keeping on with the collective visits and

also accompany them on some individual visits.

Explain all about the signatures in the *Pilgrim's Guide*.

[Explanation is that it is not only to sign it but to take advantage of the opportunity to talk to the cursillistas.]

When preparing the Mass for tomorrow remember, it should be participatory but as simple as possible without complicating it with uncommon "additions" different to normal everyday life. Bear in mind that in the Cursillo we proclaim that what we have lived on the Cursillo weekend serves as the model for everyday life.

Advise the team that during the Total Security Rollo, they must take the Group Reunion seriously.

Do not waste time getting dressed up for the Clausura.

If the new cursillistas ask questions about the Clausura, answer briefly without putting too much emphasis on it.

Discuss how the "Mañanitas" will happen.

Think about the group photo and when we should ask the new cursillistas to pay for the cost of the weekend.

Remember that tomorrow afternoon guests may come to join in the Group Reunion

Do not extend this meeting more than necessary as we need to get up early tomorrow for the "Mañanitas".

End the night the same way as the night before with a brief visit to the chapel to give thanks.

SEPTEMBER 4, 2022

SCHEDULE: THIRD DAY of the CURSILLO

5:50AM- PREPARE FOR MANIANITA – DO, WAKE UP NC

6:00AM- BEGIN MANIANITA (APPENDIX 13)

6A.15AM –PREPARE TO
CHAPEL

It is important to wake everybody up.

[Team Leaders join the community who have come to sing the Mañanitas song.]

The Team Leaders must devote their attention to spot any new cursillista who might feel alone because amongst the visitors attending the "Mañanitas" there is no relative or close friend of his. None of them should feel alone.

Do not forget that the “Mañanitas” is primarily dedicated to the new cursillistas. Each leader will pay attention to the cursillistas of his Table Group: if they are all present, if they are alone, and so on.

This encounter with the community should not last too long, because it would eventually run out of steam. Besides, it could also hinder the progress of the weekend.

When the Rector discreetly suggests it, we must say goodbye to the visitors attending the “Mañanitas”. Once they have left, we will ring the bell to go to the chapel.

It is important, however, to continue taking notes.

After the Rollo the Rector will inform the cursillistas that the blank pages left in the Pilgrim's Guide (as from page _____ onward) are for the signatures of the Team Leaders and Spiritual Advisors. He will point out

In the Cursillo weekend there is no place for “all kinds of additions or things not normally done in everyday life”.

[This Sunday Mass is simply what they will experience when they return to their environments and attend Sunday Mass in their parish, therefore it is part of the weekend experience and not included as part of the Clausura.]

11:15 pm - Lunch

After lunch, before giving thanks, the Rector will explain the cost of the Cursillo weekend, the meals and the materials. He will hand out envelopes so everyone can pay their share, but each one will put in the envelope what they want and can. If anyone does not have enough money to pay for his share, he should not worry, and if some people want to pay more than their share, we thank them. This is called the 'moment of pain talk'.

1:00PM – Sis. Alma introduce Cursillista Beyond CURSILLO AND TOTAL SECURITY BY Rector Sis. Cecille

After this Rollo the Rector will establish the groups that will form the Group Reunions after the "Total Security" Rollo, including the Rector. He will bring together those that it has been noticed have formed an affinity for each other throughout the weekend, or those who usually frequent the same environment. We will combine the Team Leaders and visitors according to the same criterion.

1:30PM – TOTAL SECURITY

1:50PM -GROUP REUNION WITH THE GUESTS.

Sis. Alma – HELP TO COORDINATE WITH TEAM LEADERS
Prepare the list of the ‘distinguished visitors’ [irony] who have agreed to speak at the Clausura and the name of the person who will let them know that they will be called upon to speak.
CHECK WITH CHAPEL IF THE CHAPEL IS READY FOR CLAUSURA.

[There are no summaries after this Rollo.]

BEFORE THE GROUP REUNION:

Before the “Prayer to the Holy Spirit”, the Rector will announce that some friends have been invited to join us and are here to live with us the last hours of the weekend. He will introduce them and ask them to stand up and will ask for applause for them.

The visitors will have joined the Cursillo weekend during the previous break.

At the end of the Rollo, which ends up talking about the Ultreya, the new cursillistas will be informed of the place and time where the weekly Ultreyas are held.

The Ultreya is offered as a service rendered, not as an obligation with which they have to comply.

- ✓ After the Total Security Rollo everyone will do Group Reunion. [This is an actual Group Reunion.]
- ✓ The Rector forms the Group Reunions. The new cursillistas
 - ✓ will be formed into groups with either one Team Leader or one of the visitors in each group. They will be grouped by environments or friendships that have been observed during the Cursillo weekend. [Visitors come in depending on the

✓ number of new cursillistas but never more than three. This is to ease the new cursillistas into the first Ultreya. There will most likely be more Group Reunions than Table Groups.]

This is not a test or a simulation Group Reunion for the new cursillistas to see how it is done, but an actual Group Reunion where everybody will share experiences lived during the Cursillo weekend and talk about their apostolic plans after the Cursillo weekend.

The Cursillo weekend is just the beginning of a process of friendship that must be cultivated. Therefore, during the Group Reunion which is held after the "Total Security" Rollo, we should try to find out from each new cursillista if they will have the possibility of attending the Ultreya. In case someone cannot attend Ultreya for reasons of work or

any other cause, we will try to specifically fix the possibility of post-weekend meetings with him.

After the Group Reunions the Rector will explain the proceedings of the Clausura.

We will inform them that a representative of each Table Group, chosen by the members of the same, will speak [sharing briefly what the Cursillo has meant to the whole Table Group] and then, "jumping in with both feet", the other new cursillistas who wish to, may do so.

[Those who spoke on behalf of the Table Group are encouraged to also share what it has meant to them individually.]

It is important to stress the fact that no one is obliged to speak and those who will speak do not have to thank anyone, but instead talk about what they have experienced.

THIRD DAY

We have to explain that all those visitors attending the Clausura have in their turn attended a Cursillo weekend and know what it is about. After the new cursillistas have spoken, it will be the 'distinguished visitors' and the Team Leaders' turn to speak.

At the end of the Clausura every new cursillista will be given his Service Sheet. Therefore, we must make sure we find an opportunity to remind the cursillistas to give their Service Sheets to the Spiritual Advisors, if they have not done so yet.

[The Spiritual Advisor will tell the Rector if there are any that are missing. If, after the reminder, someone has not handed in their Service Sheet nothing is said.]

Break of fifteen minutes for everyone to pack.

During the break, some of the leaders will prepare the place where the Clausura will be held.

During the break the Team Leaders will try to build bridges vis-à-vis the Postcursillo, if they have not been able to do it during the afternoon or at the Group Reunions.

One of the Team Leaders will inform the 'distinguished visitors' who have been asked to speak during the Clausura.

It is time now to settle the bill with the head of the retreat house and pay for the accommodation and food if it has not been done previously.

[This will depend on the facility and the arrangements that have been made.]

At this moment we ask for a round of applause for the people who have served us over the three days.

[This may be the retreat house staff or the kitchen team.]

- ✓ It is important not to delay the start of the Clausura. We must strive to be punctual.

The entry into the room where the Clausura will be held will be accompanied by singing of **"De Colores."**

[The Cursillo community who are attending the Clausura are already seated in the place where it will be held.]

3.00 pm CLAUSURA -
(See APPENDIX 15: The Clausura)

After saying the Prayer to the Holy Spirit, the Rector will explain what this act is about, with warnings to the people who attend such a ceremony for the first time that it is not a matter of giving advice to anybody but of talking about personal experiences and witnessing what has been lived.

Before leaving, the Team Leaders will say goodbye to each one of the new cursillistas. They will have previously found out whether everybody has some means of transportation to return home or not, if necessary they will arrange it.

✓ **4:15pm The Team Leaders will give thanks before the Blessed Sacrament**

THE RECTOR WILL READ THE INTENTIONS

- 1.** TO GIVE THANKS FOR THE SPIRITUAL AND APOSTOLIC SUCCESS OF THE WEEKEND.
- 2.** FOR THOSE WHO HAVE PRAYED AND MADE SACRIFICES OF THE WEEKEND,
- 3.** FOR THE SUCCESS OF MEN'S # 102 NEXT WEEKEND.
- 4.** LET US PRAY OUR FATHER...
